

Early Years Pupil Premium Report 2016-17

The [early years pupil premium \(EYPP\)](#) is additional funding for early years settings to improve the education they provide for disadvantaged 3- and 4-year-olds. Early years providers are any organisation offering education for children aged under 5, including nurseries and childminders.

Eligibility

3- and 4-year-olds in state-funded early education will attract EYPP funding if they meet at least 1 of the following criteria:

- their family gets 1 of the following:
 - [Income Support](#)
 - income-based [Jobseeker's Allowance](#)
 - income-related [Employment and Support Allowance](#)
 - support under [part VI of the Immigration and Asylum Act 1999](#)
 - the guaranteed element of [State Pension Credit](#)
 - [Child Tax Credit](#) (provided they're not also entitled to [Working Tax Credit](#) and have an annual gross income of no more than £16,190)
 - [Working Tax Credit](#) run-on, which is paid for 4 weeks after they stop qualifying for Working Tax Credit
 - [Universal Credit](#)
- they are currently being looked after by a local authority in England or Wales
- they have left care in England or Wales through:
 - an adoption
 - a special guardianship order
 - a child arrangement order

Children must receive [free early education](#) in order to attract EYPP funding. They do not have to take up the full 570 hours of early education they are entitled to in order to get EYPP. Children become eligible for free early education at different points in the year depending on when they turn 3.

4-year-olds in primary school reception classes who already receive the [school-age pupil premium](#) are not eligible for EYPP funding. Once a child previously eligible for EYPP starts school they will not become automatically eligible for the school-age pupil premium.

If a provider receives an 'inadequate' rating from Ofsted, their early education funding (including EYPP) is stopped as soon as practicable.

Financial year 2016-17

EYPP was calculated at a rate of 53p per hour per eligible pupil in 2015-16. This meant that in the financial year 2016 -17, providers will receive just over £300 for each eligible child who takes up the full [570 hours of state-funded early education](#) they are entitled to.

Number of pupils and Pupil Premium Grant 2016 to 2017

	Number of Pupils	Allocation
Total Number on roll (aged 2-5)	Sept 16 - 31	
Total number of pupils eligible for EYPP Grant	Summer 16 Autumn 16 Spring 17	£300 £0 £90
Total amount of PP Grant received		£390

Expenditure

Area of need	Intervention / Description	Cost	Impact & Evidence
To further develop awareness of themselves and others and the world around them	Purchased resources to promote awareness of diversity	£430.44	Increased awareness of the world around them – variety of festivals explored, use of a range of multicultural resources. Photo book.
	Purchasing multi-cultural books	£52.85	Increased exposure to other cultures through stories. One of the multi-cultural books was used for the African themed day.

Total expenditure is £483.29.

Attendance for children eligible for Early Years Pupil Premium was 81.02% compared with that of the whole nursery population at 87.77%. 83.34% of the pupils eligible for early years pupil premium have complex needs and have PMLD and / or medical and health needs.

We have analysed individual pupil progress based on our assessment of the whole child, recorded in their learning journeys and reports.

Financial year 2017 to 2018

Number of pupils and EY Pupil Premium Grant 2017-18

	Number of Pupils	Allocation
Total Number on roll (aged 2-5)	Sept 17 - 26	
Total number of pupils eligible for EYPP Grant	Summer 17 - 3	£300
Total amount of PP Grant received		£300 to date. £600 more predicted

Planned Expenditure of EY Pupil Premium Grant 2017-18

This will be reviewed at least termly

Area of need	Intervention / Description	Estimated Cost	Monitoring & evaluation	Desired Impact	Suggested evidence
To further develop communication and language & literacy skills	Purchase book bags resources (multi-sensory 'books' with objects to explore to support understanding of purpose of objects, communication and language skills etc.)	£405	SLT to review use of resources	Children are able to link objects to meaning in simple stories Understanding of purpose of simple objects in response to story	Learning Journeys Progress information
	To further expand home-school book bag collection to include a book bag (The captain's Hat)	£18.50	Parental survey – use of bag books	To further enhance home-school partnerships	Parental survey Parental workshop – use of book bags
To narrow the gap between	To provide free school meals	£2.30 per child per day		Narrower gap between	Progress information

<p>pupil premium and no pupil premium children in terms of pupil progress</p>	<p>for disadvantaged children *</p> <p>To provide nutritious snacks for those who cannot eat fruit due to individual needs</p>	<p>(autumn term predicted cost is £130)</p> <p>£2 / week</p>		<p>progress of children eligible for pupil premium and those who are not</p> <p>Having a free school meal is said to bring the following benefits:</p> <p>Increased and more varied consumption of fruit and vegetables,</p> <p>Improved behaviour, which improves the learning environment for all children, and academic performance.</p> <p>Reducing health inequalities and helping low income families</p> <p>Removing the poverty trap that prevents parents moving into employment</p>

**In August 2017, the LA wrote to our setting saying that they would no longer provide FSM for nursery aged children unless they have an EHCP. Therefore, some of the children in the setting who are eligible based on financial circumstances no longer have this opportunity. As a setting, we believe in the*

GREENHALL NURSERY

importance of a nutritional meal and healthy, appropriate snacks and in the benefits of these on a child's education (see <https://www.flickr.com/photos/cabinetoffice/sets/72157647374093145/>). Therefore we were committed to ensure our disadvantaged children receive this through the use of pupil premium funding to pay for FSM.
